Notepad - Untitled

Any information from the Benchmarks for Science Literacy text or custom lists -- or notes that you add yourself -- can be saved on the notepad to be printed or saved for use later with word processing software.

Chapter 4: The Physical Setting

Section A: The Universe

Kindergarten through Grade 2

During these years, learning ab[...]
qualitative, for the children are[...]
sense out of explanations. The[...]
looks like to them at different t[...]
to change its shape. But it is to[...]
explain them.

By the end of the 2nd grade, students should know that

• There are more stars in the sky than anyone can easily count, but they are not scattered
