

Benchmarks On Disk Strands

The screenshot displays the 'Benchmarks on Disk' application window. The main menu includes 'File', 'Edit', 'Window', and 'Help'. The 'Strands' window is open, showing a hierarchical diagram of energy flow in ecosystems. The diagram is organized into levels: K-2, 3-5, 6-8, 9-12, and 9-12. The flow starts at the bottom with '5.E.1' (K-2) and '5.E.2' (3-5), moving up to '5.E.1' (6-8), then to '5.E.3' (9-12). From '5.E.3' (9-12), the flow branches into '4.E.3' (9-12) and '4.E.4' (6-8). '4.E.3' (9-12) further branches into '4.E.2' (9-12) and '4.E.1' (6-8). The diagram is titled 'Flow of Energy in Ecosystems' and includes a 'Select Strand:' dropdown menu. The left sidebar shows a list of chapters and sections, with 'Chapter 11: Com' and 'Section C: Const' visible. The bottom navigation bar includes buttons for 'Previous Page', 'Next Page', 'Go Back...', 'View Research', 'Create List', and 'See Also:'.
